

Notice

Regarding the Construction of the Seawall around Funayas in Feb 2020

Date; Nov 26, 2019

Funaya area is the important preservation district for groups of historical and base of Funayas from corrosion, the construction is scheduled and will be carried out around the Funayas in the early of Feb,2020.

- Around 8:30 am~5:00 pm
- Mon~Sat(Except Sun and holidays)

The construction will be at the water front along the coastline on 1/F of Funaya. We don't know when it will be our turn.

Guest room is on 2/F with separated toilet and bathroom. Even under the construction, guests can still be able to landscape the sea view of Ine from the window of the room.

I am sorry for the inconvenience caused.

Your understanding would be highly appreciated.

If you have any concerns, please feel free let me know.

Your sincerely,

Aura's owner
